

## **INSTRUCTIONS FOR AUTHORS**

To facilitate a consistent style of the conference abstracts volume, prepare your abstract as a Microsoft Word file, taking into account the following guidelines:

- Give an informative title, not longer than 150 characters (including spaces), typeset using Times New Roman 14 pt Bold fonts.
- Write the full names of all authors (not just initials), separated by comma, and specify their affiliations using Times New Roman 12pt fonts.
- Write an informative abstract with a length of 1000 to 2000 characters (including spaces) using Times New Roman 12pt fonts.

Submit your abstract attached to an e-mail sent to the Conference Secretariat ( [cnb11@umft.ro](mailto:cnb11@umft.ro) ).

**Note:** To find the number of characters a text is composed of, select it and

- (i) in Microsoft Word 2007 /2010, in the „Review” menu, „Proofing” pane, click on „Word Count”; in the answer window find „Characters (with spaces)”, the total number of characters from the selected text.
- (ii) in Microsoft Word XP, in the „Tools” menu click on „Word Count”.
